Investments like stocks, bonds, mutual funds and annuities are: Not FDIC Insured | Not Bank Guaranteed | May Lose Value

Investments in money market funds are not guaranteed or insured by the Federal Deposit Insurance Corporation or any other government agency. While money market funds seek to maintain the value of your investment at \$1.00 per share, it is possible to lose money by investing in these funds. The prospectus is available via the link to the asset manager on the Research page in the column entitled Fund Company URL. The prospectus contains more complete information about each Fund including distribution fees and expenses. An investor should read the prospectus carefully before investing or sending money.
